Kevin,

I understand that access must be regulated. If there is any difficulty, do not hesitate to contact me.

Unfortunately, most of the documentation is in Portuguese, but I understand that this will not be a problem for you (your Portuguese is fluent).

With respect to the main documents, I would recommend that you focus initially on the following:

- Investment memorandum prepared by Caixa Econômica Federal (which will be the administrator of FIP)
- Term Sheet
- Return scenarios and main premises used
- Strategic Guidelines Plan
- Schedule

Could we have a call early next week to clear up any questions and discuss the next steps?  
What do you think?

Yours,

Ricardo Szlejf

Ricardo,

Do you know if there is another level of security necessary to access Intralinks? Patrick and I have been trying to get in, and we did not find anything. Then we tried to install software that the site had, but nothing happened.

Should I contact Intralinks or is there something on Santander's end?

Thanks, Kevin

Correct. As soon as [we] receive the version signed by you (electronic copy), we will send the e-mails with the access instructions for the data room.

Could you send me the names and e-mail addresses of those who will have access to the data room through EIG?

You can send to the originals to my attention at the following address:

Dear Luiz,

Per our discussion today, I would like to confirm our interest in analyzing possible participation of approximately USD 200-250 million through the vehicle in Austria, in Petrobras' Sete project, in the form of capital or subordinated debt. We understand that the schedule will have preliminary approval in mid-January, with final approval by the end of February, and the financial closing in March, with a disbursement period of up to 12 months from March. We are able to honor these dates, and would greatly appreciate access to "data room...#157 on Intralinks.

Obviously, any obligation on our part is subject to a complete analysis of the material and approvals by our committees.

Please let me know if you require any additional information at this time.

Thank you for your attention and Merry Christmas.

Yours, Kevin

Kevin,

Entendo que o acesso deve estar normalizado. Se tiver qualquer dificuldade, não hesite em entrar em contato.

Infelizmente a maior parte da documentação está em português, mas entendo que isto não será um problema para você (seu português é fluente).

Com relação aos principais documentos, recomendaria um foco inicial nos seguintes:

- Memorando de Investimentos elaborado pela Caixa Econômica Federal (que será a gestora do FIP)
- Term sheet
- Cenários de retorno e principais premissas utilizadas
- Plano de Diretrizes Estratégicas
- Cronograma

Poderíamos fazer um call no início da semana que vem, para tirar dúvidas e discutir os próximos passos. O que você acha?

Ricardo,

Você sabe se ha outro nível de segurança necesaria para acessar o Intralinks. Eu e Patrick tentamos entrar, e não encontramos nada. Depois tentamos installar um software que tinha no site, mas nada aconteceu.

Devo contatar o Intralinks, ou existe algo do lado do Santander?

Prezado Luiz,

Conforme nossa discussão de hoje, quero confirmar nosso interesse em estudar uma possível participação em torno de US\$ 200-250 milhões a través do veículo na Áustria, no Projeto Sete da Petrobras, em forma de capital ou dívida subordinada. Entendemos o calendário é ter uma aprovação preliminar em meados de janeiro, com aprovação final até o fim de fevereiro, e o fechamento financeiro em março, com um período de desembolso de até doze meses a partir de março. Nos temos a capacidade de honrar essas datas, e muito agradecermos acesso ao "data room...#157; em Intralinks.

Obviamente, qualquer obrigação por nossa parte esta sujeita a uma análise completa do material e aprovações por parte dos nossos comitês.

Se você precisa de alguma informação adicional neste momento, favor avisar.

Grato pela atenção, e feliz Natal,
